

Student Travel Return to School Verification Form

Students will be required to quarantine after traveling by mass transportation, such as plane, cruise ship, or train. They will also be required to quarantine after attending an event with more than 100 participants that cannot guarantee social distancing (i.e. Disney World, Six Flags, etc.). After engaging in one or more of the activities described above, the parent must submit this form to the school prior to the student's return to campus.

Please verify which one of the following criteria your child meets following a high risk activity by initialing beside the true statement.

_____ My child has participated in 10 days of distance learning, which began on our first day back from the activity/vacation.

_____ After 3-5 days of distance learning following the last day of the activity/event, my child tested negative for COVID using a lab-based test (home kits are not acceptable sooner than 5 days). Attach proof of negative test.

_____ After 5 days of distance learning, I request that my child be tested at Hope Academy using a kit approved by the Mississippi Department of Health. I understand that an appointment must be made with Mrs. Malissia Chitwood to complete this test.

Please verify the following information in addition to the information above. **Initial each item below. If the answer to any of the questions is yes, you must keep your child at home.**

1. Has your child exhibited any of the following symptoms in the last 36 hours: fever or chills, unexplained cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, unexplained congestion or runny nose, nausea or vomiting, diarrhea?

_____ No, my child has been symptom free without medicine to reduce fever or symptoms for at least 36 hours.

2. Has your child been in close contact with anyone that tested positive or who you would presume positive based on symptoms in the last 10 days?

_____ No, my child has not been exposed to anyone who tested positive for COVID-19 nor have they been exposed to anyone that I would presume positive based on symptoms in the last 10 days.

3. Did your child test positive for COVID-19 or would you presume they were positive in the last 10 days?

_____ No, my child has not tested positive for COVID-19 nor would I presume they were positive in the last 10 days.
